RE: Murder Mystery Annual Fundraiser

Dear Sir,

The Board of Directors from the Crime Stoppers of York Region is inviting the Police Service Board members to our annual Murder Mystery fundraising event being held on September 29th, 2007.

York Region Crime Stoppers is a non-profit community program which involves the public, the media and the police in the fight against crime. Crime Stoppers encourages the community to call our hot line with information to help solve crimes and/or assist in the identifying or capture of fugitives. The program combats both fear and apathy by offering anonymity and cash rewards. The rewards paid by York Region Crime Stoppers are not financed through tax dollars and all money required to support the program must be raised through individual and corporate support, along with fundraisers.

This annual fundraising event will assist the program to continue to be successful in fighting crime through the years in our community.

I have attached the event poster providing all pertinent details. If you have any questions, please feel free to contact me. Thank you in advance.

Yours truly,
