Dear Ms. Phillipson:

**Re: Community Safety Village Golf Tournament  
Friday, October 12, 2007**

I am writing this letter to personally thank you for helping to raise funds for the Community Safety Village of York Region. It gives me great pleasure to inform you that over \$26,000.00 was raised at this year's tournament.

Thanks to you, the total monies raised over the last two years were well over \$61,000.00. This money will go directly to the Community Safety Village of York Region Fire Education Classroom.

Since the Community Safety Village of York Region is something I have always believed in, it has been my pleasure over the past many years to have participated in raising funds for this worthwhile project. Since it's opening in May of 2005, I know our young children from York Region are learning how to protect themselves by learning street-proofing rules, bicycle safety and how to get out of a burning building safely.

I would also like to thank my two co-chairs of this second Annual Golf tournament, Chief Armand La Barge and Markham's new Mayor, Frank Scarpitti, for helping me make this day such a wonderful success.

In closing, I wish to thank you again for your support and for believing in the power of teaching children and adults how to keep themselves safe. We could not do our work without your generous support.

Best Regards,

  
Don Cousens
