Dear Connie:

Re: **Police Services Board Sponsorship for the
Community Safety Village Golf Tournament**

Friday, June 27th, 2008, will mark the date for our 3rd Annual Community Safety Village Golf Tournament. Last year, the Police Services Board was able to assist us in sponsorship and we are hoping you will be able to continue your sponsorship this year as well. This golf tournament has been successful in raising over \$180,000 for the Community Safety Village over the past 2 years. This year's goal is to raise another \$90,000 and we hope that you will assist us in reaching this goal. This is a unique sponsorship opportunity for the Board and we are hoping that you will match your contribution of \$10,000 from last year with the same contribution this year.

With the money raised in this year's tournament and other fundraising efforts, we are confident that we will be able to announce the completion of the \$4.8 million project that began in 1998 and retire the debt in its entirety.

This year's tournament is being held at Copper Creek Golf Course in Kleinburg with a 7:30 a.m. shot-gun tee-off start.

As you know, the state of the art Community Safety Village has been open for almost 3 years and in this short period of time, over 70,000 students and their families have visited and benefited from the educational training our Safety Village has to offer. We are striving to obtain new and returning corporate sponsorship in order to continue to build the programs and retire the outstanding debt of the Community Safety Village, currently standing at \$290,444 as of December 31, 2007. The success of this golf tournament will go a long way in assisting with this fundraising goal.
