

The Women's Support Network of York Region is requesting support for the "Back to Basics Walk 2009" from the Regional Municipality of York Police Services Board, in the form of a monetary donation. Any financial contribution will go to support our awareness-raising efforts across York Region, and our agency's mandate of eradicating sexual violence from our community.

All are welcomed and encouraged to participate in the Walk, and/or attend the community breakfast/closing ceremony on May 31st 2009. We are hoping to involve as much of the York Region community in our awareness raising efforts as possible. We also welcome support of our outreach efforts by publicizing the event among your colleagues, friends and family. Please feel free to contact us for outreach material and registration packages.

We all have a role to play in building safer and healthier communities.

Thank you in advance for your kind consideration.

Sincerely,

Susan Dobson
